

# Reforestation Baran

## FUND A POND CAMPAIGN

In Baran, India we have the opportunity to revive **125 sq km of degraded land**. By adopting simple, low-cost measures as part of a holistic, catchment-based strategy, we can:

- **Rehydrate** the region
- **Regenerate** the soil
- **Store** thousands of tonnes of carbon
- **Restore** a healthy life for the communities living there

We're inviting partners to help us to build ten ponds and plant 60,000 trees.

 <p><b>Amarapura</b> £28,000 Water: 6,000m<sup>3</sup> Trees: 5,000 People: 210</p>	 <p><b>Balarpur</b> £25,500 Water: 3,000m<sup>3</sup> Trees: 4,000 People: 70</p>	 <p><b>Bhoyal</b> £12,000 Water: 40,000m<sup>3</sup> Trees: 50 People: 500</p> <p><b>FUNDED</b></p>
 <p><b>Choura Khari</b> £33,000 Water: 32,000m<sup>3</sup> Trees: 5,000 People: 525</p>	 <p><b>Guwari</b> £12,000 Water: 33,500 Trees: 50 People: 450</p> <p><b>FUNDED</b></p>	 <p><b>Mandi Sahjana</b> £46,000 Water: 17,000m<sup>3</sup> Trees: 7000 People: 600</p>
 <p><b>Pathari 1</b> £25,000 Water: 6,000m<sup>3</sup> Trees: 4,000 People: 300</p>	 <p><b>Pathari 2</b> £20,000 Water: 15,000m<sup>3</sup> Trees: 3,000 People: 250</p>	 <p><b>Purana Faredua</b> £24,500 Water: 32,000m<sup>3</sup> Trees: 4,000 People: 400</p>
 <p><b>Ranipura 1</b> £32,000 Water: 33,000m<sup>3</sup> Trees: 5,000 People: 600</p>	 <p><b>Ranipura 2</b> £30,000 Water: 34,000m<sup>3</sup> Trees: 5,000 People: 450</p>	 <p><b>Sanwada</b> £36,000 Water: 22,000m<sup>3</sup> Trees: 18,000 People: 350</p>

Water is the foundation of this project.  
When we bring back water, the rest can follow.
