MATCHIT FOR MARCH

OUR GOAL: 100,000 CHF

To launch the next key phase of the Reforesting Baran project in Rajasthan, India.

50%

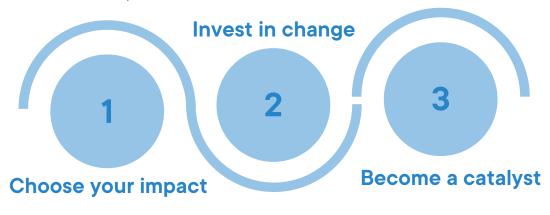

Help us to Match It For March!

Current Progress: 50,000 CHF

How Does It Work?

Water is the foundation of this project. When we bring back water, the rest can follow.

Your support will be a catalyst for change, setting a **global template for environmental restoration.**

How To Partner With Us?

Make a
Donation
Get in touch or directly via this
